

Meet the Venice Area Garden Club

Do you love gardening? Do you love floral design? Do you want to have fun and friendship while doing what you love? Attend a Venice Area Garden Club (VAGC) meeting and see what we're all about. Whether you are a long time resident, new to the area, or a seasonal resident, you will find the women and men of VAGC are friendly, environmentally aware and happy to share their gardening and floral design knowledge.

VAGC provides continuing education and resources in gardening and the study of horticulture as well as the art form of floral design. It supports the preservation of our fragile Florida environment and participates in the beautification of our community.

Requirements

VAGC is not your grandmother's garden club. It has over 100 members, supports and maintains fourteen gardens in Venice and provides scholarships to students of environmental studies. To accomplish this, our members are dedicated and involved. To be considered for membership, a prospective member must have attended two membership meetings or one membership meeting and participated in a club sponsored event. A completed application form must be submitted to the membership chairman accompanied by a payment of dues. Applications are presented and voted on at the next board meeting.

Members pay annual dues, serve on one or more committees, serve as hostess/host at one or more membership meetings per year, participate in club-sponsored major events such as the Flower Show and Home Tour and attend at least five membership meetings annually.

General Meetings

South Venice Community Center
720 Alligator Drive, South Venice.

The first Thursday of the month from October to June at 10:00 AM
Membership Chair: Elaine Hudon (603)566-6292
